### THE BUYERS GUIDE

Just eighteen months ago the implement dealers of Maysville compelled you to pay \$55 for an 8-disc wheat drill. You were in their power. They were the whole show. You could not help yourself. You simply had to pay their price. Today were in their power. They were the whole show. You could not help yourself. You simply had to pay their price. Today you can buy an 8-disc grain drill of any of the most desirable makes for \$45 at the Price Fighter's. Eighteen months ago a 2-horse wagon would cost you \$58. Today you can buy the best 2-horse wagon that money can buy for \$47.25, complete with bed and seat, at the Price Fighter's. I take it that you are a reading man. It so, you know that the materials entering into the construction of drills, wagons and all kinds of machinery has advanced greatly in the last eighteen months. Why is it then that you can buy a drill for \$10 less now than eighteen months ago? The old proverb runs thus: "Give even the Devil his due." Come, be a man. Admit the truth. Confess that this great decline in prices was brought about by THE PRICE FIGHTER. I do not acknowledge any relationship to His Satanic Majesty. On the contrary, I am expecting a reward in the future for the thousands of dollars that I have saved Mason county farmers. I also expect a reward in the future world for the straightforward, honest, upright, one-priced business that I am doing here. When Saint Peter answers the alarm and asks me for the password the reply will be the Price Fighter of Mason county, Ky. But I would also like some reward in this world. Come, be fair. Am I not entitled to some consideration at your hands? Are you grateful for the decline in prices in this vicinity? If you are come and see me. I ask you for what I give you—a square deal. I have brought wheat drills down this vicinity? If you are come and see me. I ask you for what I give you—a square deal. I have brought wheat drills down from \$55 to \$45. I sell all the most desirable makes. I ask you to call and examine them and give me your business. All things else being equal, if I can't convince you that the

will do what no other drill made will do I will make you a present of one. The Empire Drill has been changed to a rear pressure and now will tear up a pike.

# and Makes Prices for Them.

Upon entering a competitor's store and asking prices the reply is "How much does the Price Fighter ask you?" This conversation occurred Tuesday, August 1st. Thus even our competitors admit that the Price Fighter is the main guy and makes prices for them. I do not believe that there is a man, woman or child in five counties but what will admit that all kinds of

Is sold 30 per cent, cheaper in Maysville today than it was eighteen months ago. Not to admit it pleads ignorance. Yet oak lumber is higher today than it has been for years. Who put down prices on Furniture? Relying upon your integrity I leave the answer with you. You who have bought Furniture lately have than any one else. We are headquarters for Wagons, Steel Rooding, Farm Imple-
